[About Tony's](#)

Tony's Sourdough Bakery is a craft bakery from Stockholm with a history of 25 years. We bake our bread according to traditionally french recepies with sourdough.

A craft bakery close to you

Tony's is a small bakery, this means that we bake all our bread and loafs by hand and not machines.

Stone oven baked sourdough bread

All our bread is baked in our stone oven in 280 degrees celcius for a perfect baked bread with crust.

Poor service

Description

I want to give you feedback on my last purchase of loafs, they.
They tasted bad and weren't completely baked.
